

# Behaviour for Learning Policy

## Covid-19 Appendix

The pupils are expected to use the school's Core Values alongside the existing Behaviour for Learning expectations. They will explore the COVID-19 behaviour for learning expectations with their Learning Pod teacher on return to school.

The additional behaviour for Learning expectations are:-

Pupils will:-

- Socially distance at all times whilst in school
- Socially distance when travelling to and from the school site
- Follow school protocols and procedures around hygiene, personalised resources and building protocols, for example following a one way system, using only designated entry and exits.

The following behaviours would result in an exclusion;

- Inability to social distance from peers or staff.
- Deliberate acts which threaten the safety of other pupils or staff, such as spitting, deliberate spreading of bodily fluids, deliberately coughing at another child or staff member.
