General advice for Play Leaders

- Be proactive and set up your play zone before the children start their lunch time period (12:30 pm) (12.00 year 3)
- Build up positive rapport and relationships with all pupils
- Make sure that you patrol all areas for which you are responsible.
- Follow the Behaviour for Learning policy, using maximum rewards and minimum sanctions.
- Maintain confidentiality.
- Ensuring necessary equipment and stations are set up to encourage playing and exploring, active learning, creativity and critical thinking.

If a child is unsafe, causing harm to others, rude to a staff member:

- Using a calm voice, ask the pupil to make the right choices about their behaviour.
- Contact and offer other choice options.
- The pupil will be removed from the situation and offered Time Out.
- If the behaviour persists then a member of staff will contact a teacher or head teacher.
- All incidents will be recorded on lunch time incident logs (Outside HT office)
- Any serious incidents or incidents relate to a child currently being monitored for behaviour issues then the class teacher/SLT must be informed at the end of lunchtime. A report MUST be completed.
- A positive comment about children who are showing good behaviour or improving behaviour as a result of monitoring would be well received from the class teacher. This helps develop positive relationships between the Play Leaders and the children. Stickers will be awarded to children who demonstrate good behaviour. Certificates will also be awarded each week to children who demonstrate exemplary behaviour at lunchtime.
- To feedback positive comments to the Senior Play Leader/Teacher during weekly update meetings.

Should an accident occur:

- Record in the Accident log.
- If a child bumps their head, the class teacher and Senior Leader must be informed and a “Bump head” letter provided to take home to inform parents.
- Inform the school office as a matter of priority.

Disclosure:

- Should a child confide in you that they have been abused or you see what you consider as non-accidental injuries, you must inform the child that you have a duty to report it to the teacher responsible for Child Protection, (the Headteacher) who will set the Child Protection Procedures in motion.
- You will be asked to complete a yellow children protection form.

Treatment of children/presentation:

- When involved with playground games always be aware of the whole area of play around you.
- Avoid questions that could be interpreted as “prying” into family matters.
- Pass all lunchtime issues to appropriate staff, not directly to parents.
- Treat all children fairly and equally, regardless of prior knowledge or behaviour.
- Be aware of personal space and intimidating behaviour. Play Leaders are allowed to intervene in extreme circumstances to restrain or control a child if endangering others. This should not be attempted if the Play Leaders has not been trained in the correct response.

Support for Play Leaders:

In order for Play Leaders to fulfil their role we recognise that they need to be valued, respected and well managed and that their professional development needs are catered for.

Children must also be aware that Play Leaders have the same level of authority at lunchtime as teachers and should be shown the same respect.
