11th December 2020

Dear Parents and Carers,

Thank you for attending the virtual Pupil Learning Conferences this week; the children and staff were very pleased with how they worked, with a chance to celebrate the term's learning and set realistic, relevant targets for the Spring term. It was pleasing to see the technology in school stood up as well. We've had several emails from parents containing valuable feedback, and we will be sending out a short survey to gather your views shortly.

At the end of term, there are always some goodbyes to announce – this term, Mr Gunn will be finishing at Greenway and moving on to a new school. He has been a positive, enthusiastic force for good at the school, and the children have benefitted greatly from his drive to inclusively improve our PE standards over the last four years. Under his leadership, the school has gained the Gold PE Award, the AFPE Award with distinction and the Virtual Schools Award 2020 and many a trophy. Whilst it is always sad to say good-bye to a valued member of staff, his promotion to Head of PE is a celebration of his personal development whilst here and we wish him every success at his new school.

As the term comes to an end, it has been a pleasure to see how well everyone has worked together to provide an education – both academic and personal – to the children. The staff have worked hard to overcome barriers, and the children have clearly enjoyed the learning on offer.

The school displays are a colourful reflection of a term well spent by all at Greenway.

Leadership Award
Horsham District

I would like to take this opportunity to thank all of our families for abiding by the rules, committing to your child's education, smiling in the playground and generally powering on through. No-one underestimates the impact this global pandemic has had on everyone's lives – the Greenway community has put its best foot forward and made the best of a tricky situation – this positive attitude has kept children, staff and families together safely in our small community – well done and thank you – as this has made leading our school so much simpler.

Have a wonderful COVID safe Christmas and New Year; tackling 2021 can only be a breeze.

Warmest good wishes,

Karen White
Headteacher
